Help us help carers

100 club

By joining our 100 club you will be helping us raise vital funds to support our carer groups.

We run a wide range of groups for carers of all ages. We already have funding for some of the groups, but not all. Each year we will select one group that the 100 club will support.

In 2020 the funds will be used to set up and run a walking group for carers. In subsequent years members of the 100 club will be able to vote for the group they'd like to support.

Our groups

Caring for someone can be exhausting and isolating. Our groups provide carers with a break from caring as well as giving them the opportunity to build supportive friendships based on shared experiences.

Groups also allow carers to share ideas, 'tips' and other useful information.

How it works

For one year you pay £5 a month to be entered into our monthly prize draw.

50% of your donation will go towards the prize fund and 50% to support carer services at Carers Link. With 100 people participating, the monthly prizes would be £100 (first prize), £50 (second prize) and four runner-up prizes of £25 each.

Terms and conditions are available on Carers Link's website: www.carerslink.org.uk, or by request from 0800 975 2131. The draw is held on the 2nd Wednesday of each month.

The lucky winners will be contacted individually and the results will be posted on the Carers Link website and on social media.
